

Privacy Statement

Southern Lending Solutions has created this privacy statement in order to demonstrate our firm commitment to your privacy. Due to the sensitive nature of the information we collect from our users, including address, phone numbers, and credit information, we believe it is important to satisfy strict privacy requirements. If this information changes, you will be notified. The following discloses our information gathering and dissemination practices for this Web site:

Collected Information

The following section describes the information we collect from you and indicates the primary purposes why we collect each type of information from you. If we use your information or disclose or distribute your information to third parties for a purpose that is not related to the following purposes, we will notify you by email of your right to opt-out of that use, disclosure or distribution beforehand. Your right to opt-out shall be governed by the Choice/Opt-Out Section below.

Our site's forms may require users to give us contact information (such as name and email address), unique identifiers (such as social security number) and financial information (such as account numbers). The user's contact information is used to contact the user when necessary. Users may opt-out of receiving future communications as set forth in the Choice/Opt-Out section below. Financial information that is collected is used to check the users' eligibility for financing. Users understand that credit history may be a factor in the evaluation of the credit of the applicant and hereby consents to and authorizes the above named business credit provider and any assignee, lender or funding service that may be utilized to obtain and use a consumer credit report on the undersigned, now and from time to time, as may be needed in the credit evaluation and review process and waives any right or claim they would otherwise have under the Fair Credit Reporting Act in the absence of this continuing consent.

Security

This Web site has security measures in place to protect the loss, misuse and alteration of the information under our control. All user data is stored on our servers. The user may request, via email or telephone, additional information on Southern Lending Solutions security practices. The requested security information will be made available to the user via email, fax or postal mail, at our discretion.

Choice/Opt-Out

Our Web site provides users the opportunity to opt-out of receiving communications from Southern Lending Solutions at the point where we request information about the user. This Web site gives users the following options for removing their information from our database to not receive future communications or to no longer receive our service.
